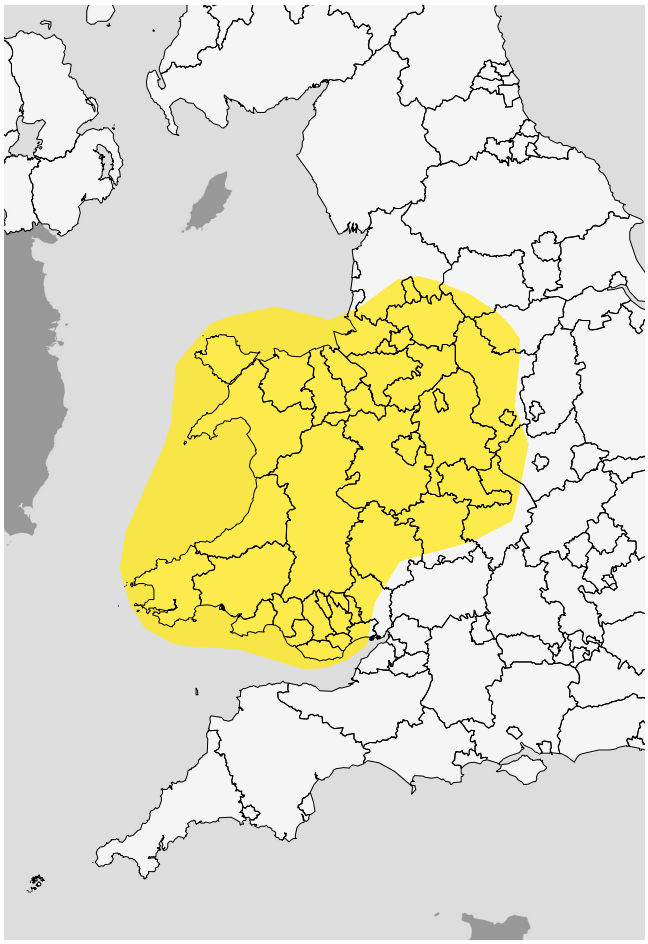
Yellow warning
Rain

Between
21:00 Wed 7 Oct 2020 and
09:00 Thu 8 Oct 2020



Heavy rain may cause travel disruption and some flooding.

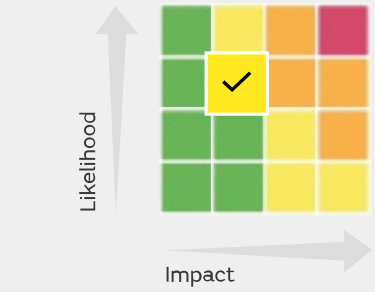
What to expect

- Flooding of a few homes and businesses is likely
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer

Further details

Rain, often heavy, developing over Wales early Wednesday evening and moving east across central and some northern parts of England overnight.

As much as 40-60 mm of rain is likely to fall over some hills and mountains in Wales, with 20-30 mm quite widely elsewhere in Wales and also over some other parts of the warning area. Following recent very wet weather some travel disruption and flooding is likely.



Medium likelihood of low impacts

Issued at 10:15 Wed 7 Oct, 2020
